There were only about 2.00 head offered, against 2.00 this day last week, and 2.60 a month ago. The supply was not out of proportions and under ordinary circumstances would have proved very mod-erate, but as 2500 head were due at Chicago, buyers were very backward about taking hold of the supply at last week's values, and but of the supply at last week's values, and bids where received during the morning indicated a

The day's basis when established was rather uneven, and while a few sellers quoted medium to good cattle a trifle off, the day's business generally from all signdocints was stoady. The bulk of the cattle were just of fair to medium killers, selling at \$4.1954.60, rough 1.114-lb, Kansas steers bringing \$4.25, while a string of 1,010-lb, pretty good Westerns

SHEEP-A good moderate supply of sheep was on sale, and a few good native sheep and lambs were included among the arrivals, also a double deck of Westerns. There was practically no change to the trade, all decent mutten stock selling readily and for fully as much more and the selling readily and for fully as much more and they would have brought any time that kinds and all that a law wees. The half fat kinds and all that a law wees. The half fat kinds and all that a law wees. The half selling a time and unchanged.

16048-A good moderate supply of logs arrived, there being in the neighborhood of 5.090 on sale and while they averaged reasonably good in quality, a larger proportion of pigs and lights were on sale than usual. Other Western markets, especially Chicago, reported good runs, Chicago having 21:09 on sale and reported the market as opening very much lower.

The trade here opened a little slow, and prices as a rule showed a loss of lic from Saturday. Some few sales possibly were not more than lie lower, while others were 10s fower. All buyers were beartsh and worked hard to break prices as much as possible. The best butcher hogs, however, showed the least decline. Nearly everything sold at \$1.35 and \$14.0. The late market was a shade lower than the opening, but the clearance was quite good.

Lights weighing 10s to 188 lbs. sold at \$1.50g 1.20 lights, 10s to 188 lbs. at \$1.50g 1.47°, medium, weights \$1.76g 1.50 and kool heavies at \$1.156g 1.50. The hulk of the good medium and heavy hogs sold at \$1.50g 1.00 layers were moderate and the quality misses were made alowly and the general backwardness soon established a decline of about \$50g 7.50 per head, making the decline in the last two weeks about \$56g 1.50 per head. MULES Receipts in the mule department were comparatively light and the business was so slow during the early hours of the market, rather transactions so few during that period, that no definite line could be gotton on the trade. There seemed to be no material chance in the market and conditions were apparently identical with last week. The feeling appeared to be steady on good fat mules but the outless, according to selers was that common, thin and rough mules would sell about as dull as they have been doing of late. Some very choice consignments were reported, but the bulk of the opening demand from the South will determine the condition of the market, se upon the cotton mule trade the market depends almost entries at present.

YOUTH SLAIN BY COMPANION.

Felix Coleman, 8 Years Old, Shot by Bud Howell, 11, Near Columbia, Mo.

REPUBLIC SPECIAL. Columbia, Mo., Nov. 23.-Felix Coleman, years old, who lived near Rock Bridge, eight miles south of Columbia, died today from a gunshot wound inflicted by Bud Howell, II years old.

The Howell and Coleman boys and two other children were in a house by them-selves playing Saturday night when the shooting occurred. Howell was the oldest of the four, and as the other three were of the four, and as the other three were the only witnesses, it was difficult to secure an accurate account of the affair. It is generally understood that the Howell boy took a shotgun from the rack and fired point blank at the Coleman boy. After firing the shot he made no attempt to run away.

The injured bey lingered in great pain until this morning. The Coroner held an irquest this afternoon and returned a verdict that the boy came to his death from a gunshot wound inflicted at the hands of Eud Howell.

An attempt will be made to send the boy to a reform school. Several days ago the Howell boy went to a neighbor's house, and, securing a gun fired it at a crowd of children, but without hitting any of them. He is small for his age and is remarkably bright.

Dominican President Tries in Vain to Make Terms With the Rebels Besieging the Capital.

Sen Domingo, Santo Domingo, Sunday, Nov. 22. — United States Minister Powell's residence has been destroyed by shells from the rebel forces now besieging the city.

President Wos y Gil, in his efforts to bring about a peaceful arrangement with the insurgent forces, to-day commissioned United States Minister Powell, the Beigian Minister, the Minister to Hayti and the Spanish Consul to visit the insurgent camp. Consequently, an armistice was agreed upon, to expire at noon, and the Peace Commission consulted with the insurgent leaders.

The latter, however, refused to entertain the peace proposals and demanded the surrender of the city, but they prolonged the armistice until 5 o'clock this evening, after which hour the bombardment of San Domingo will be resumed and will be continued until the capital fails.

The Italian third-class cruiser Liguria and the Dutch armored cruiser Deruiter have arrived here.

The Dominican warship Presidente went to Azua de Compostela, about sixty miles from here, last night.

The sanitary condition of San Domingo is good, but the poor are suffering from want of food. The prices of provisions are very high. United States Minister Powell, the Belgian
